

Cyngor Cymuned Llandwrog

Clwt Foty

Rhoddir rhybudd fod y Cyngor Cymuned wedi penderfynu gwneud gwaith ar y clwt yn benodol torri mieri, prysgoed, y gwair a'r brwyn. Byddwn hefyd yn clirio'r rwbel sydd wedi ei arllwys yn anghyfreithlon yma ac o ganlyniad mae planhigion ymledol rŵan yn tyfu ar y tir.

Mae'r Cyngor wedi cael caniatâd gan Stad y Goron (perchnogion y tir) i gynnal y gwaith.

CERBYDAU - Gofynnir yn garedig i berchnogion y cerbydau (a'r darnau cerbydau) sydd ar y clwt i'w symud gan 1) nad oes hawl iddynt fod yno 2) fod y cerbydau yn llygru'r tir a 3) fod y clwt yn flêr ac mae angen gwella delwedd yr ardal.

Bydd y gwaith yn digwydd wythnos yn cychwyn 17 Awst 2020

Llandwrog Community Council

Clwt Foty (Common Land)

Notice is given that the Community Council has decided to carry out work on the common specifically to cut the brambles, scrub, and the grass. We will also be clearing the rubble that is being dumped illegally here, and as a consequence invasive plants is now growing on the land.

The Council has obtained permission from the Crown Estate (the landowners) to carry out the works.

VEHICLES - The owners of the vehicles (& vehicle parts) on the common are kindly requested to remove them from the common because 1) they are not allowed to be there, 2) they are contaminating the land 3) the common is very unsightly and we need to improve the image of the area.

Work will commence week beginning 17 August 2020.

Am wybodaeth pallach cysylltwch / for further information please contact David on 01286 881920 or 07796 024288, Bryn Meurig, Carmel ebost. rheolwr@cyngorcymunedllandwrog.cymru
