National Eisteddfod Boduan, Llŷn 2021

Financial Target

The National Eisteddfod Office has set a financial target of £ 5,000 as a contribution from the Llandwrog area towards the costs of hosting a National Eisteddfod to be held in Boduan in 2021.

Over the years this community has been very supportive of the National Eisteddfod and the Community Council is supportive of the activities that will be needed to reach the target. It therefore calls for a public meeting for all residents of the Community of Llandwrog (namely the villagers of Fron, Carmel, Groeslon, Llandwrog and Dinas Dinlle) to establish an Appeal Committee (s) and elect officers to that committee to raise the money.

The public meeting will be held at Groeslon Village Hall, Tuesday, 10 March 2020 at 7.00 pm.

A warm welcome to all
